

Twelfth Annual Meeting of the  
**WCRP/CLIVAR/VAMOS Panel (VPM12)**  
San Juan, Puerto Rico, USA 3-5 June 2009

Hosted by

**IASCLIP workshop agenda**

**Monday, 1 June 2009 – Afternoon session**

1:00 pm – *Participants arrive and sign in*

1:20 pm – *Welcoming comments and logistics* *Enfield and local organizers*  
Status of IASCLIP, endorsement by US CLIVAR, status of NOAA/CPPA or other known funding. Outline of workshop objectives and tasks.

1:40 pm – *IASCLIP overview and diagnostics research* *David Enfield\**  
Review of IASCLIP research issues, objectives & science plan. Progress and future challenges in diagnostics research.

2:30 pm *Modeling and prediction* *Vasu Misra\**  
Discussion of modeling issues, known or suspected biases that need research and may drive observations. Progress & future strategies for model development and for experimental forecasts.

3:20 pm -- *Break*

3:40 pm -- *Observations & Enhanced monitoring* *Mike Douglas\**  
Status of and needs for oceanic & atmospheric observations. Strategies for improvement of long-term monitoring. Outline of a several-year evolution of a field campaign. Opportunities for OceanObs '09.

4:30 pm – *Applications & Capacity Building* *Lisa Goddard\**  
Caribbean regional needs and priorities for applications and capacity building. Opportunities and mechanisms for capacity building. Regional centers of expertise that can benefit from improved model forecasts and participate in experimental forecasting activities.

5:20 – 5:40 pm – *Summary and Working Group Charges* *David Enfield*

\* See second page for email addresses and working groups

## **Tuesday, 2 June 2009 – Morning session**

8:30 am – *Morning refreshments*

9:00 am – *Plenary warm-up* *Enfield and local organizers*  
Commissioning of working groups. Logistics, room assignments and objectives.

9:15 am – *Working group breakout sessions*  
Working groups organize and begin discussions.

11:30 am – *Pre-lunch plenary: Working group chairs report on progress*

12:00 -1:30 pm – *Lunch break*

## **Tuesday, 2 June 2009 – Afternoon session**

1:30 pm – *Working group breakout sessions (continued)*

4:30 pm – *Plenary: WG chairs give final reports*  
Working groups organize and begin discussions.

5:15 pm – *Discussion and closure*  
Summary of short and longer-term tasks. Discussion of organizational issues involving CLIVAR and VAMOS (VPM-12).

5:30 pm – *SSC & WG chairs caucus*

### **Email addresses for presenters and working group heads:**

David Enfield, Chair of IASCLIP Science Steering Comm. [David.Enfield@noaa.gov](mailto:David.Enfield@noaa.gov)

Mike Douglas, Observations & Monitoring WG [michael.douglas@noaa.gov](mailto:michael.douglas@noaa.gov)

Lisa Goddard, Applications & Capacity Building WG [goddard@iri.columbia.edu](mailto:goddard@iri.columbia.edu)

Vasu Misra, Model Development & Predictions [vmisra@fsu.edu](mailto:vmisra@fsu.edu)
