Description:

Review "The only thing more fun than an *October Daye* book is an *InCryptid* book. Swift narrative, charm, great world-building . . . all the McGuire trademarks."
(Charlaine Harris, #1 New York Times Bestselling Author)

"Seanan McGuire's DISCOUNT ARMAGEDDON is an urban fantasy triple threat - smart and sexy

and funny. The Aeslin mice alone are worth the price of the book, so consider a cast of truly ORIGINAL characters, a plot where weird never overwhelms logic, and some serious kickass world-building as a bonus."

(Tanya Huff, bestselling author of THE WILD WAYS)

"McGuire kicks off a new series with a smart-mouthed, engaging heroine and a city full of fantastical creatures. This may seem like familiar ground to McGuire fans, but she makes New York her own, twisting the city and its residents into curious shapes that will leave you wanting more. Verity's voice is strong and sure as McGuire hints at a deeper history, one that future volumes will hopefully explore."

(RT Book Reviews)

"Verity is a winning protagonist, and her snarky but loving observations on her world of bogeyman strip club owners, Japanese demon badger bartenders, and dragon princess waitresses make for a delightful read."

(Publishers Weekly)

"*Discount Armageddon* is an exceptionally well-written tale with a unique premise, fantastic character work, and a plot that just pulls you along until you finish. This is one for the urban fantasy enthusiasts out there—as well as for anyone who wants something different from most anything else on shelves today. Easily one of my favorite books of 2012."

About the Author Seanan McGuire is a California-based author with a strong penchant for travel, and can regularly be found just about anyplace capable of supporting human life (as well as a few places that probably aren't). Early exposure to a vast number of books left her with a lifelong affection for the written word, and led, perhaps inevitably, to her writing books of her own, starting somewhere around the age of eleven. The October Daye novels are her first published fantasy series. The InCryptid novels are her second urban fantasy series for DAW. Both an artist and an accomplished, independent folk musician and song writer, Seanan shares her California farmhouse with a wide variety of books, musical instruments, local wildlife, and Siamese and Maine Coon cats. She holds packed concerts at her book signings in stores like Borderlands.
