Description:

Clara Parkes gathers tales from twenty-one knitters and examines a subject that is irresistible to us all--the yarn stash.

Anyone with a passion has a stash, whether it is a collection of books or enough yarn to exceed

several life expectancies. With her trademark wry, witty approach, Parkes brings together fascinating stories from all facets of stash-keeping and knitting life--from KonMari minimalist to joyous collector, designer to dyer, spinner to social worker, scholar to sheep farmer. Whether the yarn stash is muse, memento, creative companion, career guide, or lifeline in tough times, these deeply engaging stories take a surprising and fascinating look at why we collect, what we cherish, and how we let go.
