#### Description:

**NorthStar**, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis.

Conceptualized to promote critical thinking, **NorthStar** infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking

section like in other series.

### **Components: Print or eText**

**Student Book with MyEnglishLab** — Building on the success of previous editions, NorthStar

continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online content.

Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook.
