### **Description:**

**Review** [Machiavelli] can still engage our attention with remarkable immediacy, and this cannot be explained solely by the appeal of his ironic observations on human behaviour. Perhaps the most important thing is the way he can compel us to reflect on our own priorities and the reasoning behind them; it is this intrusion into our own defenses that makes reading him an intriguing experience. As a scientific exponent of the political art Machiavelli may have had few followers; it is as a provocative rhetorician that he has had his real impact on history. from the Introduction by Dominic Baker-Smith --Online --This text refers to an alternate edition.

**Language Notes** Text: English (translation)

Original Language: Italian --This text refers to an out of print or unavailable edition of this title.
