Description:

Understanding World Societies, Second Edition, features a brief, question-driven narrative that models for students the inquiry-based methods used by historians and helps students understand what's really important to know about world history. The second edition presents **LaunchPad**, a new intuitive ebook and course space with **LearningCurve** adaptive quizzing and a wealth of activities and assessments that help students make progress toward learning outcomes. **LaunchPad** features primary source activities, map and visual activities, adaptive and summative quizzing, and a wealth of optional resources, including carefully developed Online Document Projects for each chapter with auto-graded exercises. **LaunchPad** is easy to use and can be integrated with your school's course management system, giving you the tools for enhanced teaching and learning.
