**Description:**

**From the Publisher** This book is in Electronic Paperback Format. If you view this book on any of the computer systems below, it will look like a book. Simple to run, no program to install. Just put

the CD in your CDROM drive and start reading. The simple easy to use interface is child tested at pre-school levels.

Windows 3.11, Windows/95, Windows/98, OS/2 and MacIntosh and Linux with Windows Emulation.

Includes Quiet Vision's Dynamic Index. the ability to build a index for any set of characters or words.  
--This text refers to an out of print or unavailable edition of this title.

**From the Author** Please be aware that there are many editions of this book. The original text dates to 1855. The only volume with which I have been involved--and which, naturally, I consider the best--is the 1991 HarperCollins hardback for which I provided a long introduction and scholarly notes. Apparently many reviewers on this site have been sold inferior editions by earlier editors, still circulating.
