3. COVID regulation

For entering the border of Mozambique, you need to have either COVID-19 Vaccination Certificate or a Certificate showing a negative COVID-19 test result not older than 72 hours from the time of departure. Please make sure to have the document ready before your departure. Wearing masks and practicing social distance are recommended to limit your risk for being infected.

4. Visa & invitation letter

Based on international agreements concluded by the Republic of Mozambique, envisaging the waiving of visa obligations, all foreign nationals using passports from **South Africa, Botswana, Malawi, Mauritius, Swaziland, Tanzania, Zambia** and **Zimbabwe** are exempt from entry visas for Mozambique.

Participants who need a visa will apply for a border visa at the airport (~50 US\$). A list with your names will be with the authorities there, based on the following documents you have provided to wio2022@clivar.org:

- **Copy of passport**
- **Hotel booking**
- **Flight itinerary**

The local organiser should already help you obtain an **invitation letter** issued by the local host organization and a **visa authorisation letter** issued by Mozambique authority after receiving your documentation. You need to show it in the airport together with all the documents listed above. Remember to bring hard copies.
