6. TRANSPORTATION AND TRANSFER

Participants need to take care of their transportation from Guayaquil Airport to hotels at Guayaquil when arriving, and as well as departing from Guayaquil hotels to airport.

For people staying at Hotel Sheraton Guayaquil or Hotel Radisson Guayaquil, if your rooms were booked through the ENSO Conference, airport-hotel-airport transfer service has already been included in the room rate. Please contact the hotel to arrange the pickup service.

Transportation from Guayaquil to CENAIM will be arranged by local organiser on early morning of October 13, and back from CENAIM to Guayaquil in the afternoon of October 15. Please refer to session 3 to see the bus schedule.

7. REGISTRATION

Registration for the TPDV/EDV workshop will be from **10:00 to 10:30 on October 13**, in the meeting room at CENAIM. Meeting material and badges will be distributed to individuals during the registration.

Important: Please wear your badge at all times as it is important that you are identifiable as a conference attendee.

8. CATERING

Complimentary morning and afternoon coffee/tea will be provided by CENAIM during the meeting. Participants could have lunch at CENAIM Cafeteria, about \$5.5 for each meal. Vegetarian and vegan options will be provided.

9. INTERNET & POWER

Main voltage in Ecuador is 110V 60Hz, participants from other countries may need to consider the need for a voltage converter. Plug/wall sockets in Ecuador is either type A or B as shown below:

Participants are recommended to bring appropriate Power Adapters to enable use of wall sockets.

Important: Meeting organiser will be advised of the AV facilities at the venue. Please be mindful of the need to bring the appropriate adaptors to ensure you can connect your laptops to enable you to run your meeting sessions.

Note:

- (1) Please be informed that a strict 'do not disturb' phone policy will be enforced.
- (2) Power outlets are limited within the meeting rooms. Please be aware and come with your devices charged.

Wifi in hotels and the meeting room will be available.

11. SPONSORS

Meeting organizers would like to acknowledge the support of Centro Nacional de Acuicultura e Investigaciones Marinas (CENAIM), World Climate Research Programme (WCRP), and US CLIVAR as major supporters of the TPDV/EDV Workshop and the panel and research foci meetings.
