

## **Assistant Professor - Earth and Atmospheric Science in New York, New York**

### **FACULTY VACANCY ANNOUNCEMENT**

The Department of Earth and Atmospheric Sciences at City College of New York invites applications for a tenure-track position in Atmospheric Science/Hydrology/Climate Science, at the rank of Assistant Professor, to begin in August, 2017. We will consider applicants across a broad range of specialized fields including atmospheric chemistry, air/water pollution, hydroclimate, fluid mechanics, and hydrology/hydrogeology. We are particularly interested in researchers who utilize an interdisciplinary approach, including remote sensing observations, process-based modeling and/or field work. The successful candidate is expected to establish a vigorous, externally funded research program that expands the scope of our departmental expertise while complementing and integrating with our existing strengths. The candidate should be capable of developing new courses and teaching existing offerings in atmospheric chemistry, hydrology, and/or GIS.

CCNY values diversity in its faculty, staff, and students; we particularly encourage applications from diverse candidates including women and minorities. The Division of Science is committed to a welcoming workplace diverse in all its dimensions. The Division's Diversity Statement can be viewed at <https://www.ccny.cuny.edu/science>.

### **QUALIFICATIONS**

Ph.D. degree in area(s) of experience or equivalent. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution.

### **COMPENSATION**

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

### **HOW TO APPLY**

If you are viewing this job posting in CUNYFirst, please click on "Apply Now" on the bottom of this page and follow the instructions.

If you are viewing this job posting externally, please apply as follows:
