University of Leeds - The School of Earth and Environment

Location: Leeds
Salary: Not specified
Hours: Full Time
Contract Type: Contract / Temporary

Placed on: 17th January 2017

Closes: 1st April 2017

Job Ref: CAS Intl

Brief Description: The School of Earth and Environment, University of Leeds is offering one scholarship worth up to £19,750, to an international student of outstanding ability, achievement and potential – undertaking a full-time MRes in Climate and Atmospheric Science.

Eligibility and Criteria: You must first hold an offer (conditional or unconditional) of an academic place on the MRes in Climate and Atmospheric Science for the academic year commencing September 2017, and be designated by the University as being of international fee status. All applications will be assessed on a competitive basis. A scholarship award cannot be deferred and will lapse if not accepted in September 2017.

Application Instruction: Please submit a completed School of Earth and Environment Scholarship application to soee-scholarships@leeds.ac.uk by 1st April 2017.

It is important to visit the official website (link found below) for detailed information on how to apply for this scholarship.
