From the Inside Flap I wanted to let you know how much I love your company. I am an avid collector of your cookbooks and have almost all of them. As a very busy single mom of two young boys, I can always count on Gooseberry Patch to give me a new idea for family-fun time and a quick, tasty meal. Every recipe I've tried has been wonderful! Your ideas help me create a loving home...it reminds me of simpler times and that family really is the most important thing.

My best friend and I love your website, books, ideas...everything! We especially love the friendship Vickie & Jo Ann share. The times we spend with Gooseberry books, recipes and ideas provide us with much enjoyment.
