## Description:

### Features of This Edition

From the Publisher

- The CD in the back of the book has additional content on documentation boards, forms, a parent/family letter for multiple use, developmental forms, and an image library containing bulletin board activity patterns.
- Extended information on diversity (ethnic, gender, and ability or special needs).
- An expanded introduction provides a more comprehensive preface to the book's content.

- The content encourages users to analyze and ask questions.
- A new, 16-page color insert features curriculum development activities.

--This text refers to an out of print or unavailable edition of this title.

**Review** "This is a great resource to help teachers plan an integrated curriculum that addresses the multiple learning styles of preschool children."

"I've used this text for many, many years. My students really like the text and keep it forever. It also really helps them in student teaching. Worth every penny the students spend on it and it becomes a lasting resource for teaching." --This text refers to an alternate edition.
