**Description:**

Titan's three bestselling *Firefly* titles collected together at last, just in time for the 10th anniversary of Joss Whedon's beloved series. This huge, 544 page full colour volume is simply one of the most lavish books ever produced for a TV show, and is presented in a foil-stamped leather-effect binding. Plus, as an exclusive bonus for this edition, a pocket at the back of the book contains 9 frameable photo prints of the cast, featuring rare and previously unseen images, and a facsimile of one of the prop banknotes used in the show.
