This oversized book is the comprehensive companion to the art and making of the The Venture Bros. and includes a foreword by Patton Oswalt!

Ken Plume sits down with series creators Jackson Publick and Doc Hammer to have a conversation about the creation of every single episode through season six and much more. From the earliest sketches of Hank and Dean scribbled in a notebook, pitching the series to Cartoon Network's Adult Swim, learning the ins and outs of animation, character designs for each season, storyboards, painted backgrounds, behind-the-

scenes recollections of how the show came together, it's all here.

Features behind-the-scenes info and art covering every episode of all six seasons.

Written by *Venture Bros.* creators Jackson Publik and Doc Hammer, with intro by Patton Oswalt.

An all-encompassing look at the characters, art, history and influences of the beloved series.
