Description:

Learn to blend theory with practice in group work with GROUPS: PROCESS AND PRACTICE, the respected book that so many helpers (and helpers in training) rely on every day. Focusing on the "what is" and the "how to" of group counseling, the authors use up-to-date examples, guidelines, insights, and an enhanced diversity perspective to show you how group leaders can apply the key

concepts of the group process to a variety of groups, including work with children, older adults, and in school settings. Available with InfoTrac Student Collections <http://goengage.com/infotrac>.
