Description:

Since their son Josiah went to Heaven on his 19th birthday, Steve and Sarah Berger have developed a new, contagious passion and excitement for Heaven, its inhabitants and its activity. As a pastor and pastor's wife, they had counseled countless families in their time of deepest need, but on August 14, 2009, God launched their own family on a journey that has forever changed their lives. As they hit their knees and cried out to God and searched their Bibles for answers, God began to reveal fresh truth and healing from familiar passages in His Word. Have Heart presents the fruit of their personal

studies on Heaven, grieving, brokenheartedness, honoring a loved ones legacy and living each day with Heaven in mind.

If you are grieving the passing of a loved one or if you're just curious about what Heaven is like, Have Heart will encourage you to firmly place your trust in Jesus and your hope in Heaven.
