Description:

About the Author Baye McNeil (a.k.a. Loco) is an author, freelance writer and blogger from Brooklyn. He graduated from Long Island University in Brooklyn, NY with a degree in English and Communications. He's resided the better part of a decade in Yokohama, Japan, where he teaches junior high school English. He splits his free time between soaking in Japanese Onsen (Hot Springs), pursuing the perfect bowl of Ramen, and fervently "Insta-graming" the photos he takes daily of trains and stations in Japan. He also continues to blog about life as a foreigner, a New Yorker and a black man living on a tiny homogenous island at www.locoinyokohama.com This is his first book. He

is currently working on his 2nd about the jubilation and tribulations of teaching in Japan.
