## Description:

*Indestructibles* are the books built for the way babies read. They are 100 percent baby-proof, chew-proof, rip-proof, and drool-proof. Printed on a unique nontoxic, paperlike material that holds up to anything babies can throw at it—gumming, spilling, dragging across the floor—*Indestructibles* are the little books that could. They're indestructible. And if they get dirty, just throw them in the washing machine or dishwasher.

*Baby Faces* features baby's favorite thing: pictures of other babies. It's a book for parents and children to share together the many moods of a baby.
