#### Description:

##### ***Practicing Sight Words Has Never Been This Easy!***

Many words don't follow basic decoding rules and are taught in pre-k and kindergarten classrooms as sight words, instant words, high frequency words or star words. A new reader finds sight words very frustrating until they are memorized. A good reader will be able to instantly recognize sight words without having to figure them out. **Meet the Sight Words DVDs** make practicing sight

words fun and easy. Now it is time to practice what you have learned. Each of the 12 easy reader books in the boxed set includes the 47 most frequent kindergarten sight words. The words on each page are mostly sight words. The majority of non-sight words in these books are easy to decode or have a visual cue in the illustration. **Meet the Sight Words Series** products have won over 25 national awards and are used in thousands of schools! **You will be amazed at what your little one can learn!**
