Description:

Brighter Child® Multiplication 0 to 12 Flash Cards offer children a fun and easy way to practice their multiplication skills. The set features 54 cards with two multiplication problems each, their answers on the opposite side. Bright, bold numbers are placed on a white background for easy reading, and a special card also offers creative game ideas designed to reinforce learning.

The popular Brighter Child® Flash Cards give children a fun and easy way to practice important skills. Offering 24 titles encompassing preschool to grade 5, each title focuses on an important subject including early concepts, math, phonics, and U.S. History. Fun game ideas and learning suggestions are included to help children build

proficiency and confidence. Game cards also allow children to develop thinking, decision-making, turn-taking, and social skills while playing fun games at the same time.

Select titles are also available in English-Spanish and Spanish-only versions.
