Description:

Learn operations and supply chain management YOUR way with OM! Whether you choose print only, online only, or a print with online OM combination, you get cutting-edge coverage that reflects the latest research and practices from the field. OM6's easy-reference, paperback textbook presents course content through visually engaging chapters as well as tear-out Chapter Review Cards that consolidate the best review material into a ready-made study tool. With the textbook or on its own,

OM Online allows easy exploration of OM topics anywhere, anytime -- including on your device! Collect your notes and create StudyBits™ from interactive content as you go so you can more easily remember key concepts. Then use preset study resources or personalize the product through easy-to-use tags and filters to prioritize your study time. Make and review flashcards, review related content, and track your progress with Concept Tracker -- all in one place and at an affordable price!
