Description:

Joseph F. Healey and Eileen O'Brien's **Race, Ethnicity, Gender, and Class, Seventh Edition** once again uses sociological theory to tell the story of race and other socially constructed inequalities in the United States with consistency and clarity. Through a vivid writing style and engaging pedagogical features, the authors ensure that readers engage with core concepts in a meaningful way. Current Debates, based on the writings of prominent scholars, journalists, and commentators,

spark classroom discussion on important issues. First-person accounts, *Narrative Portraits*, are threaded throughout the text to bring life to a variety of topics.
