**Description:**

Realidades 2 begins with a review chapter that focuses on the basics from first year: talking about yourself, friends, and activities. "A ver si recuerdas" Prior to each theme and some chapters, students will find this section, the title of which means "Let's see if you remember". It contains a quick summary of vocabulary and grammar from first- year Spanish that connects to the upcoming theme or chapter. At the end of the book, you'll find grammar and vocabulary references from both first- and second- year Spanish.
