## Description:

Make Sociology new with McGraw-Hill's **Connect Sociology** and the 10th edition of **Sociology: A Brief Introduction**. New to Connect is **Investigate Sociology**, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with **LearnSmart**, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like **In their Shoes** and **Applying the Perspectives** that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many **e-book activities**. With McGraw-Hill's digital tools, focus on what you do best—teaching.

**Unique to this program, Sociology: A Brief Introduction encourages students to take sociology with them in their everyday lives, just as Rick keeps a small**

notebook of daily sociological events. In *Sociology* brief, instructors get the most trusted content in manageable form. This, coupled with powerful digital learning tools, makes *Sociology* brief an ideal choice for your introductory course.
