Description:

The only product with yield information for more than 1,000 raw food ingredients, **The Book of Yields, Eighth Edition** is the chef's best resource for planning, costing, and preparing food more quickly and accurately. Now revised and updated in a new edition, this reference features expanded coverage while continuing the unmatched compilation of measurements, including weight-to-volume equivalents, trim yields, and cooking yields. With helpful worksheets; a clear organisation by food type; and a convenient, durable comb binding, **The Book of Yields, Eighth Edition** is a must-have culinary resource.
