Description:

Review Tim Keller knows that personal freedom is only ever found in viewing yourself from the vantage point of the person and work of the Lord Jesus Christ. Read and experience that freedom yourself. --Paul David Tripp

An excellent little piece. This is a truly liberating book for anyone who's ever worried about what other think of them or been caught up in conflict. You'll find your life explained and then put on the path to freedom. --Tim Chester, Author and Director of The Porterbrook Institute --This text refers to the edition.
