Description:

About the Author D. J. MacHale is a writer, director, and producer of several popular television series and movies that include Flight 29 Down; Are You Afraid of the Dark?; Encyclopedia Brown, Boy Detective; Tower of Terror; and Ghostwriter. Pendragon, his first book series, is a #1 New York Times bestselling series. He lives in southern California with his wife, Evangeline; his daughter, Keaton; a golden retriever, Maggie; and a kitten, Kaboodle.

From As circumstances become dire for Bobby Pendragon, the hero of this series, narrator William Dufres continues to balance Bobby's bemused pop-culture outlook with the grim realities of his fight to save Halla. The eighth book in the riveting series brings Bobby to the territory of Ibara, a seemingly peaceful agrarian land. Bobby joins forces with the Jakills, a group of children who resist the obliviousness of their elders to try to stop the villain Saint Dane from bringing down Ibara. In voicing both the lively, youthful dialogue of the Jakills and the otherworldly speech of the robotic armies of dados, Dufres demonstrates that he continues to be the perfect match for this imaginative series.
