Description:

Based on seasonal rhythms and ancient festivals, *The Wildwood Tarot* gift set draws inspiration from pre-Celtic mythology and shamanic mysteries. This stunning new tarot card deck introduces us to classic forest archetypes--including the Green Man and Woman, Archer, and Blasted Oak--and explains how to use them as a meditation system, divinatory oracle, or reference. Will Worthington's powerful pagan images connect us with a long-lost world that can help us make sense of our own.
