Description:

From Publishers Weekly Given Trump's larger than life—and polarizing—public persona, part of Skipp Sudduth's achievement as narrator is his creation of a buffer zone of sorts. Granted, the entrepreneur does deliver a zealous introduction, but as Sudduth takes over, it becomes possible to overlook the positive and negative caricatures of Trump the celebrity and focus on his tangible no-nonsense advice. While viewers of *The Apprentice* will certainly recognize The Donald 's bravado in the recurring litany of accomplishments related to the global Trump brand, Sudduth's presentation of the career and personal growth tips will resonate with listeners. *A Vanguard hardcover. (Apr.)*

Review "(E)ntertaining and valuable account of how to play the Trump card... I (found) his stories valuable and entertaining. In particular, the chapter titles are snappy and motivational. Trump's advice is that we should never think our way is the only way. Perhaps his readers should keep that in mind." -The Irish Times "Donald's wisdom is priceless-it's the perfect book at the perfect time." - Robert Kiyosaki, New York Times bestselling author of Rich Brother Rich Sister" --This text refers to an out of print or unavailable edition of this title.
