Description:

From the Back Cover "This book is the closest to the truth about the `Roswell Incident' you will

ever stumble upon, until that ever-mythical and distant 'Day of Disclosure' dawns. What you have been seeking is the true story, the facts, the reality that the government withholds from you. This book is just in time for the 60th anniversary of the 'Roswell Incident.' A revolution of thinking about UFO's is about to overtake us all. And so I urge you, by all means... read on!"

--Paul Davids, Executive Producer of *Roswell*, the Showtime Original Movie

"**Witness to Roswell** is a well researched, well documented, and well written account of a very important issue."

--Dr. Edgar Mitchell, Capt. USN [Ret.], Apollo Astronaut, Founder of IONS

"There is no one on this planet who knows more about the Roswell Incident than these two guys."

--Larry Landsman, Director of Special Projects for the SCI FI Channel and Creative Executive of *The Roswell Crash*

"Tom Carey and Donald Schmitt have devoted decades to unraveling Roswell--battling the multitude of phony 'witnesses,' the desperate attempts by the government to cover the trail, and the silliness of the knee-jerk skeptics.

Presenting the facts in clear language, the Carey-Schmitt team shares astonishing discoveries about the epochal events of July 1947, and why Roswell really is the Holy Grail of Ufology."

--Capt. R.J. Durant, retired airline pilot, ufologist and respected Roswell Incident researcher

"The Roswell case is the most important UFO case of all time because it is from here that all decisions were made. It was the first of the cover-ups, the first attempt at mis-direction, and one of the most important events in human history. It is where creatures from another world were first seen by creatures from Earth. That we still argue about the reality of this case today is simply unbelievable."

--Kevin D. Randle, Ph.D., co-author: *UFO Crash At Roswell* and *The Truth About The UFO Crash At Roswell*

"No two men have done more to drag the truth about Roswell out of the shadows and to expose the outrageous cover-up which has been droning on for 60 years now than Tom Carey and Don Schmitt. If the cover-up is ever going to have a stake driven through it and the Roswell case resolved once and for all, it will most likely be Tom and Don who will do it. Their prolific contributions to Ufology constitute not only a bedrock of truth we can all be proud of but demonstrate what dedication and sacrifice above and beyond the call of duty can produce. Their new book is another milestone in the deconstruction of the Roswell cover-up."

--Jeff Rense, nationally-syndicated talk show host --This text refers to an out of print or unavailable edition of this title.

About the Author Donald R. Schmitt is coauthor of two best-selling books on Roswell, one of which became the TV movie *Roswell*. He has appeared frequently on many TV programs including Oprah, CBS 48 Hours, and the Today Show as well as many radio shows. He resides in Hubertus, Wisconsin.

Thomas J. Carey has devoted significant portions of the last 16 years to proactively investigating the Roswell Incident, and has authored or coauthored more than 30 published articles on the subject. Carey has appeared on Larry King Live, Coast to-Coast AM with George Noory, and numerous other programs. He lives in Huntingdon Valley, Pennsylvania. Both authors were consultants for the Sci-Fi Channel's documentary, *The Roswell Crash*.
