Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills.

Building on its best-selling approach, this edition of **Words Their Way** continues the phenomenon that has helped thousands of children improve their literacy skills. The keys to this successful, research-based approach are to know your students' literacy progress, organize for instruction, and implement word study. This **Sixth Edition** lists the Common Core State Standards for each activity, and features enhanced discussions, activities, and content.

To offer teachers even more tools that will enhance their word study instruction, all new classroom videos and interactive PDFs are available on the **PDToolkit** site*. With its newly designed marginal icons that link readers to resources on the accompanying web site, *Words Their Way*, provides a complete word study package that will motivate and engage your students, and help them to succeed in literacy learning.
