Description:

The #1 New York Times bestselling author of the Fool's Gold romances invites you to visit

Happily Inc., a wedding destination founded on a fairy tale

Sculptor Nick Mitchell grew up in a family of artists and learned from his volatile father that passion only leads to pain. As he waits on a new commission, he takes a day job as a humble carpenter at a theme wedding venue. The job has its perks—mainly the venue's captivating owner, Pallas Saunders. Although he won't let love consume him, for ecstasy with an expiration date, he's all in.

Pallas adores Weddings in a Box. But if she can't turn the floundering business around, she'll have no choice but cave to her domineering mother and trade taffeta for trust funds working at the family's bank. Then when a desperate bride begs Pallas for something completely *out* of the box, her irresistible new hire inspires her. Nick knows she doesn't belong behind a desk, and she knows in her heart that he's right—where she *really* belongs is in his arms.
