Description:

Ace the ARRT Certification Exam with this Dollar-Saving Study Package!

Written by an experienced educator and radiography program director, these two resources deliver a rigorous review for the exam.

TWO SCORE-BOOSTING RESOURCES IN ONE GREAT PACKAGE:

LANGE Q&A Radiography Examination, Eleventh Edition provides radiography students and recertifying radiographers with more than 1,400 registry-style questions to get them ready for the certification exam. Written by a respected radiographer with 35 years of teaching experience, the book reinforces concepts by including explanations for correct and incorrect answer options for each question. From cover to cover, this tried-and-true exam prep tool is filled with everything students need to

have an edge on exam day. Now in its eleventh edition, *LANGE Q&A Radiography Examination* is more indispensable than ever, reflecting content updates from the latest ARRT radiographic examination blueprint within the chapters on Patient Care, Safety, Image Production, and Procedures. Also included with purchase is access to online practice with 400 ARRT-style questions and answers.

Features:

- Packed with more than 1,400 Q&As and access to online practice that delivers unmatched preparation for the radiography certification exam
- Sections include Patient Care, Safety, Image Production, and Procedures
- New content mirrors the latest ARRT radiographic examination blueprint update

You also get...

Radiography PREP, Ninth Edition delivers the entire radiography curriculum summarized in a concise, accessible narrative designed to help you understand and remember key concepts.
