## Description:

*The Globalization of World Politics*, Seventh Edition, is the best-selling introduction to international relations, offering the most comprehensive coverage of key theories and global issues in world politics.

The seventh edition features several brand new chapters that reflect the very latest developments in the field, including those on gender and race, to ensure the book continues to cover topics that define key IR issues. New pedagogical features help

readers evaluate key IR debates and apply theory to real world events.

Leading scholars in the field introduce readers to the history, theory, structures, and key issues in IR, providing students with an ideal introduction and a constant guide throughout their studies.
