Description:

A “sharp and funny romantic tale”(*O, the Oprah Magazine*) from the #1 *New York Times* bestselling author of *The Husband's Secret* and *Big Little Lies*.

Ellen O'Farrell is a professional hypnotherapist who works out of the eccentric beachfront home she inherited from her grandparents. It's a nice life, except for her tumultuous relationship history. She's stoic about it, but at this point, Ellen wouldn't mind a lasting one. When she meets Patrick, she's optimistic. He's attractive, single, employed, and best of all, he seems to like her back. Then comes that dreaded moment: *He thinks they should have a talk.*

Braced for the worst, Ellen is pleasantly surprised. It turns out that Patrick's ex-

girlfriend is stalking him. Ellen thinks, *Actually, that's kind of interesting*. She's dating someone worth stalking. She's intrigued by the woman's motives. In fact, she'd even love to meet her.

Ellen doesn't know it, but she already has.
